WADO Partners specializes in frozen fruit and vegetables with a wide range of products and specifications. They bring a long history of supplying to the most strict of global markets, requiring utmost attention to detail and customer care. Customers include medium to large size importers, retailers, convenience stores, food service distributors, and industrial users so can therefore provide a wide range on packaging options. In food service and retail, the primary focus is on developing private label but they can also offer certain options on supplier brands. For the US market, Wado Partners is well informed and proactive with FSMA requirements. For the export market, Wado Partners is proactive and up to date on pesticide and food legislation to make sure their suppliers meet all necessary requirements.
