Eat Well, Live Well.

Ajinomoto Foods North America, Inc. is a leading manufacturer in the frozen food and appetizer industry. The company is dedicated to contributing to a healthier lifestyle through nutritious and balanced “Umami” foods. Their products span across the largest categories of ethnic frozen foods ranging from Mexican to Italian to Asian across every distribution channel including foodservice, grocery, warehouse club, and custom manufacturing.

*“Umami” is known as “the fifth taste” and joins tastes such as sweet, sour, salty, and bitter. These are all unique and cannot be created by mixing other tastes – they are known as primary tastes. “Umami” provides a pleasant, savory sensation that balances the four other options. The Ajinomoto Group began its business by marketing Umami seasoning as a product called AJI-NO-MOTO.
